## ABOUT FOX NATURE OUTFITTERS

FOX Nature Outfitters is a retail shop that sells exclusively to members. Members get the best products at fair prices, access to rental gear and one of the best guarantees around. Your purchases also help conserve the places where we play and support all Canadians getting active outside.

## WE ARE COMMITTED

Our commitment to you is knowledge, quality equipment and first rate apparel. Personal adventures and experiences allow us to provide competent advice - standing behind what we sell.

## OUR MISSION

Fox Nature Outfitters inspire and enable everyone to lead active outdoor lifestyles. We do that by selling outdoor gear, clothing and services. We match our members with gear that suits their needs. We offer more than products, we offer passion.
